## Sailing trip in Greek history & Greek language

Destinations:

Athens

Epidavros

Methana

Poros

Hydra

Aegina

Athens

The islands in the Saronic Gulf are among the most beautiful and interesting of all the Greek islands. Board on our yacht and let our skipper and our archeologist teacher take you from Athens on a historical trip of the Greek Language and Greek History.

This is a journey along ancient trade routes to places of natural beauty and history, where you can learn to speak Greek, you can meet our philosophers and our history in these destinations, you can relax in little fishing villages over a beer and great seafood or sun worship on the quiet beaches nearby.

Ancient Theatre of Epidaurus

Monuments of Aegina
