## Sailing & Greek handmade arts & crafts

Sailing & Greek Handmade Arts & Crafts is here to take you to a Greek traditional sailing journey. If you wish different holidays for this summer, live like a sailor, be close to the sea and magnificent places creating little amazing handmade crafts which have their routes in ancient Greek world, then join us!

This is a unique concept for people who love art, Greek culture, Greek islands and the sea.

Sailing & Greek Handmade Arts & Crafts is a brand new idea in the area of alternative tourism in Greece. It's two concepts together. The sailing experience brings you in touch with nature, images and smells, offering you the opportunity to discover the Greek landscapes in a unique way and the creation of Greek handmade staffs which teaches you the manners and customs of our country.

Sailing & Greek Handmade Arts & Crafts people are well trained and experienced and extremely skilled skippers and hostesses. They all join forces to offer a unique vacation experience allowing you to live an adventurous and educational magical sailing trip.

Sailing & Greek Handmade Arts & Crafts is a unique experience of the Greek culture that will fill you with knowledge, joy and beautiful memories.
